

# Introducing the Home Equity Dashboard by Hometap

A new way for you to leverage and maximize your largest asset: your home

The Home Equity Dashboard is a digital platform that's designed to help you get out of the dark about your equity and make the most of homeownership.

## Demystify your home equity

- Access our industry-proven home value estimate — trusted by some of the world's leading real estate investors
- Get an instant and accurate snapshot of what you owe and what you own
- Better understand the value of your home equity, how to calculate it, and how it can grow over the next 10 years

HOMETAP INSIGHTS

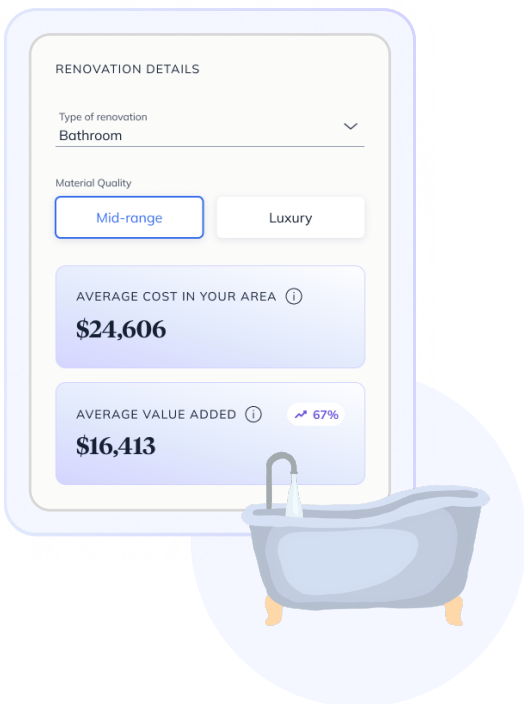

**Thinking about selling your home? You could walk away with an estimated **\$227,813** in profit – that's based on your current home equity, minus a typical **5.5%** realtor fee.**

## Become a more confident homeowner

- Make more informed decisions using customized, data-driven insights and tips about your home
- Visualize how different home equity financing options will impact your financial situation
- Find all the tools and resources you need to spend less time researching and second guessing, and more time enjoying your home

## Take back control

- Access tools and resources that allow you to better protect your investment through economic ups and downs
- Learn when and how to undertake essential home maintenance to help maximize your home's value and equity
- Take advantage of special offers and discounts from Hometap's curated, best-in-class home services partners

## Plan for the future

- Explore different appreciation and financing scenarios at various stages of your homeownership journey to achieve financial and personal goals
- Make more informed financial and real estate decisions, such as whether to sell, refinance, or make home improvements
- Decide which renovations, at which level, add the most value for your home's future resale value with our Renovation Calculator

Best of all, it's completely **free to use**, and takes just 2 minutes to sign up. Visit [www.hometap.com/dashboard](https://www.hometap.com/dashboard) to learn more and get started.
